QUALITY

you can count on

DIRECTOR'S MESSAGE

Lily Ann Cabinets is one of the leading factory direct distributors of kitchen and bathroom cabinetry in the industry today. We have been selling our kitchen cabinets and bathroom vanities nationwide to customers since 2004. As a family-owned and operated company, we prioritize customer care and excellent service above all else.

Lily Ann Cabinets is your one stop shop for all things cabinetry. With over 30 cabinet styles and color combinations to choose from, you're sure to find the perfect look to suit your upcoming project. Our goal as a company is to bring you high quality products without the hefty price tag.

There are no shortcuts to a fabulous kitchen.
Made to order means we're handcrafting your cabinets just for you!

- Bill Decker

about us

Lily Ann Cabinets recognizes that not all of our customers and their projects are the same. For this reason, we have launched several purchasing programs. Whether you are remodeling an apartment, adding out cabinetry to your own showroom, or remodeling your personal kitchen, we want to service your specific project's need and give you the best pricing available. We have many options because when you purchase from us, you are purchasing factory direct!

Lily Ann Cabinets is also looking to form relationships with local professionals and businesses to grow and improve our services to customers. There are many opportunities available with us: from referring customers or helping them through the purchasing process, to assisting them with measuring, assembly, and installation. We may also be interested in joint marketing and recommending your business on our website. Feel free to email info@lilyanncabinets.com to receive more information about these opportunities.

Lumber Quality

At Lily Ann Cabinets, we believe quality cabinets begin with quality materials. We proudly source top-grade lumber for dependable quality assurance and long lasting beauty. Our cabinets feature premium solid wood face-frames and grade A 7-ply and 7-ply plywood.

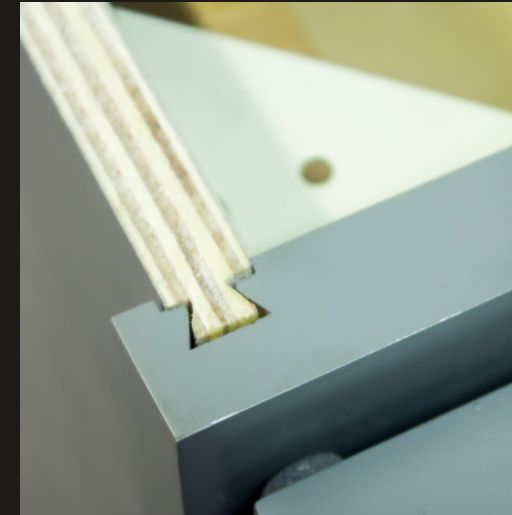

Finish

To top off our solid wood cabinets, we apply an extensive 7-step finishing process to ensure their beauty lasts a lifetime. The doors and face-frames are hand finished with expert precision to create a smooth, premium quality finish. The exterior cabinet sides are top-coated with a UV curved color coating to minimize the effects of daily wear and tear. The interior of our cabinets are coated with a UV cured clear coat to enhance the beauty of the natural wood and provide long lasting durability.

Assembly Method

Lily Ann Cabinets offers the quickest and easiest assembly methods on the market. Our dovetail cabinet constructions process uniquely interlocks all components ensuring a strong cabinet that can stand the test of time. Not only do we offer our unique construction, we also offer a metal clip assembly method that is standard to the RTA cabinet industry.

Corner Support

To ensure the highest structural integrity of our cabinets, we use wood and metal corner supports. These structural elements help to maintain squareness throughout the installation process and the lifetime of the cabinet.

Soft-Close Hinges

Our premium 6-way adjustable soft-closing hinges are included with most of Lily Ann's cabinet styles. These compact soft-closing hinges ensure your cabinet doors shut smoothly and quietly, eliminating harsh slamming and preserving the integrity of the cabinet.

Soft-Close Drawer Glides

An enhanced feature included with most of Lily Ann's cabinets is our premium drawer glides that soft-close with a small push. The full extension drawer glides also allow you to maximize storage and access the full depth of the drawer.

And More

Our solid wood drawer boxes are deeper than most competitors', which allows you to fit 25% more storage.

The latest in joint technology, our five-piece door and drawer construction assures less likely splitting of the joints.

Fully engineered door and drawer heads minimize expansion and contraction, reducing the risk of cracks in the finish.

We use a special clear plastic shelf flip to make sure your shelves snap in place and will not fall out. All of our shelves are also adjustable height so you can find the size you need.

Our cabinet box is made up to ½ " 7-ply plywood on both sides, bottom and back panels. All components lock together using our sliding dovetail design to ensure a strong, sturdy cabinet once assembled.

Added Value

Simple Modifications – We can increase or decrease the depth of any cabinet to any size, so you can create the perfect cabinet solution to suit your home.

Diverse Spec Book – Lily Ann Cabinets offers semi-custom sizing, a multitude of existing size offerings and a complete range of building products to suit every renovation project, regardless of size or price.

Expedited Shipping – With our national truck fleet of experienced drivers, we are able to provide quick nationwide shipping to all Lily Ann Cabinets customers. Depending on shipping location, some cabinet orders are shipped in as little as 1 week.

Experienced Staff – From our professional 3D designers to our dedicated sales team, Lily Ann Cabinets employees demonstrate exceptional product knowledge and are committed to providing an outstanding customer service experience.

Lifetime Warranty

At Lily Ann Cabinets, we stand behind our products. In the rare event of a defective cabinets, our products are backed by a Lifetime Warranty. We will stop at nothing to ensure your experience is positive from purchase to installation. For more information on our Lifetime Warranty, please visit lilyanncabinets.com/kitchen-cabinets-warranty
